● ABOUT US

We have been at the forefront of developments in the field of after-the-event (ATE) insurance, since the CFA regime was established in 1998. We have a wealth of experience and knowledge of personal injury and clinical negligence cases and can provide you with the individual response you need to protect yourselves and your clients against the risks involved in pursuing cases under conditional fee agreements.

For your extra benefit and security, we are now underwritten by DAS, the UK's leading legal expenses insurance company. DAS are authorised and regulated by the Financial Services Authority and are A rated with Standard and Poor's, which underlines their financial stability and security.

● OUR PRODUCTS

Amicus Justice and Amicus Justice Plus have been devised to provide ATE insurance on a case by case basis. Unlike other insurers, we do not require you to provide us with a minimum volume of cases. Also, we do not charge an administration fee for standard personal injury cases. Our premiums are competitive and can either be paid up front or on conclusion of the case:

	JUSTICE	JUSTICE PLUS
Premium payable	In advance	On conclusion of case
Limit of indemnity	£50,000	£100,000
Features	Standard cover	<ul style="list-style-type: none"> • Enhanced cover • The premium is insured in unsuccessful cases and counsel's fees up to £2,000 are covered • Counselling Helpline Service

Cover can also be provided for clinical negligence cases, for which we charge an assessment fee which is deductible from the premium in accepted cases.
